Emily is eighteen years old, and has been performing since she was eight-years-old. She is a country music singer/songwriter with a unique style of country roots with a blues flare. Her warm, smooth voice is hard not to fall in love with. Singing songs with a country influence, but with a voice that bridges the gap between country, and pop, appealing to a wide range of listeners. Her love for the music she sings pierces through her performance and she easily steals the hearts of many listeners.

Emily believes in giving back to the community by using her gift of voice to support many charitable events; Cancer foundations, SAFFRON, Easter Seals, Stollery Children's Hospital, Bell's Walk for Kids, Ronald MacDonald's, Kidney Foundation, Alzheimer's Society, Multiple Sclerosis, Youth Emergency Shelter and the Homeless Shelter to mention just a few.
